

YOUR STORY IS OUR LEGACY.

As a national service organization working across the country to improve communities and ecosystems, we are made of so many wonderful individuals working tirelessly to make change and create local impact. Every member is a HUGE part of why we are so successful together and we want you to tell your story. Your experience is unique and personal and incredibly powerful. Please take the time to think about your experience and answer the following questions below. You can answer the questions directly or use them as prompts to get you thinking.

NAME, POSITION AND PROGRAM:

TELL US ABOUT YOUR CORPS EXPERIENCE

What projects have you worked on? Where have your projects been? What has life been like on your crew or in your position? What have been some highlights?

PERSONAL HISTORY

Who are you? Where are you from? What was life like before you came to the corps? Tell us about your family or community. How did you hear about or get introduced to this opportunity?

NATIONAL SERVICE

What does it mean to you? How have you seen your work directly impact your community? What does it mean to be a part of this movement?

MOVING FORWARD: TELL US HOW THIS EXPERIENCE HAS SHAPED YOU

Do you see a difference in yourself as you have gone through this experience? How will you keep this momentum going? What do you want to do after this? How has your experience better prepared you for the future? What would you tell someone who is interested in what you do?
